Eligibility Question

Did you receive an email invitation from the Education Foundation of Palm Beach County to fill a matching grant application? :

Basic Project Information

Please specify your project title:

Amount of State Funding Requested(in USD):

Does this project have matching funds?:

If yes, please list the amount of matching funds secured and funding source or funder.:

List all schools this project will support, if funded.:

Project Details

What need or problem will this project address? (200 words max):

How will you show that this project was successful in meeting the need/problem?(200 words max):

What area(s) of your district plan does your project support? Specify and explicitly state what goal(s), objective(s), strategy(ies), etc. of your district plan your project directly supports. Please use the SDPBC's Strategic Plan template available under the Resources. (200 words max):

What priority area(s) will your project address? Select all that apply. :

Estimated Number of Schools Impacted by Project:

Estimated Number of Students Directly Impacted by Project:

Estimated Number of Teachers Directly Impacted by Project:

Estimated Number of Students Indirectly Impacted by Project:

Estimated Number of Teachers Indirectly Impacted by Project:

Grade level(s) to be addressed:

Would you consider this a multiyear project? (i.e., are funds to be used this year that support future efforts and greater impacts to students in subsequent years?) If so, please outline multi-year goals and expected measurable metrics. (200 words max.):

Is any part of your project a re-granting (mini-grants) project where applications will be reviewed for teacher classrooms,

schools or your district?:

Project Abstract

Describe your project proposal and outcomes/outputs to be measured. (This will be submitted to the FLDOE. Think: If in an elevator with my local legislator, what would I say about this project and its potential impact?)(200 words max.):

Project Summary

In the space provided, please detail your project activities, goals, and objectives. (1000 words max.):

Describe how your project supports your district plan and in what areas. :

Project Timeline

Please detail your timeline for project activities. :

Outcomes

What data sources and/or data collection strategies will you use to measure outcomes? :

What is the baseline outcome number(s) that you are trying to improve with your project activities? (For example, if your project activities are supporting district goal area of "Student Achievement: Increase Grade 3 scoring level 3 or higher on state assessments," what is the current percent of Grade 3 students scoring level 3 or higher on state assessments of your project's primary participants.) :

Outputs

What data sources and/or data collection strategies will you use to measure the outputs? (Contact the Education Foundation if you would like suggestions for common survey questions to use in

your data collection tools.) :

What is the baseline output number(s) that you are trying to improve with your project activities?:

Budget Spreadsheet

Please review, complete and upload a Budget Spreadsheet prior to beginning your application question responses. You will find the template for this item in the resources linked on the right hand side of this page under "Grant Resources":
