Logic Model Upload

Please review, complete and upload a Logic Model prior to beginning your application question responses. You will find the template and a sample logic model in the resources linked on the right hand side of this page under "Grant Resources".:

General Acknowledgement

I authorize the verification of the

information provided in this application.:

Deadlines

Applications are due by 11:59pm (EDT) on August 8, 2023. No late applications will be accepted! Recipients will receive notification of award in early September 2023. Recipients will be honored at a special event on October 19, 2023. :

Evaluation Process

Each application will be reviewed,

evaluated and scored by a team of community partner volunteers. Most volunteers are not educators and will likely not be familiar with acronyms, so it is in your best interest to minimize educational jargon. Scoring teams will evaluate applications by applying the criteria to the answers provided by applicant(s). The scoring committee's decisions are final. :

Funding Process

Funding for approved grants will be

awarded in October/November 2023 at

the latest and will be accessed online

through Class Wallet. Each grantee will

receive a Class Wallet Debit Card linked

to their Class Wallet account to access

their project grant funds. Only the

designated lead teacher will receive

access to Class Wallet for team grants.

Funds must be expended by May 15,

2024. All dates will be listed on the grant

acknowledgment form that must be
signed by you and your principal.:
